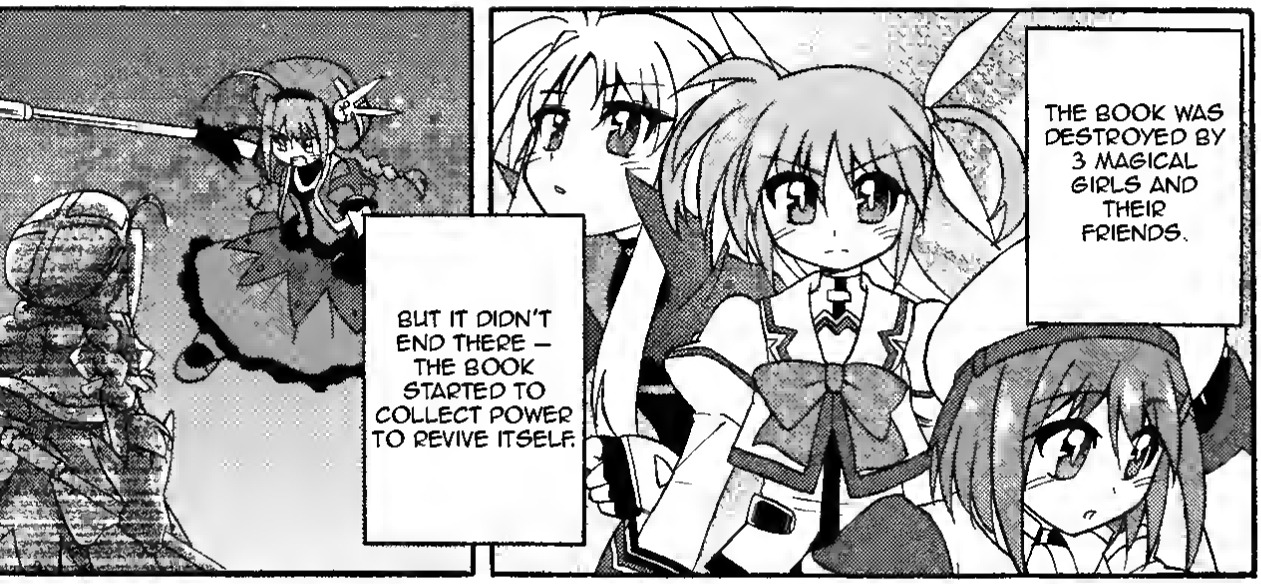
IT ALL STARTED WITH A BOOK.
IT WAS CALLED "THE TOME OF DARKNESS".
page 1



THE BOOK WAS DESTROYED BY 3 MAGICAL GIRLS AND THEIR FRIENDS.
BUT IT DIDN'T END THERE — THE BOOK STARTED TO COLLECT POWER TO REVIVE ITSELF.

DURING THAT, IT COPIED THE MAGICAL GIRLS AND CREATED,
THE THREE MATERIALS.
LATER THIS WAS REFERRED TO AS "THE DARK FRAGMENTS INCIDENT" AND THEY WERE SUPPOSED TO HAVE VANISHED ALONG THE END OF IT – HOWEVER...

THEY DIDN'T DISAPPEAR, BUT THEY CONCEALED THEMSELVES IN DARKNESS AWAITING THE TIME OF REVIVAL.
...CONCEALED IN DARKESS...?
HM?
THIS IS THE STORY OF THE THREE MATERIALS, LORD DEARCHE, STERN THE DESTRUCTOR, AND LEVI THE SLASHER.
